Agenda

1. Welcome
2. Explain what School Council Is
3. Discuss our first roles; Classroom Rules, Lunchtime Activities, Are children happy in School?

Minutes

1. KJ Welcomed all School Council members and explained using visuals that the School Council will support Jenny with making some decisions about the running of school.
2. We then moved on to deciding on our school rules, and Francesca and Hamzah thought it would be a good idea if we asked all the children in school. KJ to produce a template and supply to each class and ask for 5 top rules. It was agreed at the next meeting we would decide as a group with Jenny on the top 10 that we think applies to us.
3. Lunchtime Activities – It was decided that parents would be able to provide school with a list of activities that their children like to do at home. Questionnaire to be sent out to parents.
4. We spoke as a group about children being happy in school, when asking School Council their thoughts were that all pupils are happy at Old Hall School. But then when I asked how do we know?, most pupils agreed that they didn't know and that the School Council would like to ask parents. Questionnaire to be sent out via KJ.
5. All pupils were given their School Council Badge and Kerry M took each child's photograph. **All pupils are super proud of their badges!**

Next Meeting: 28th February 2017.
