

Old Hall Special School, Bentley Lane, Walsall. WS2 7LU.
Everyone working together to achieve outstanding outcomes for our pupils and families.

Sports Premium Impact Report 2016 – 2017

Vision: *for Sports Premium, all pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participating in physical activity and sport.*

Sports funding is provided to ensure impact is made in the following 5 areas:

- The engagement of all pupils in regular physical activity, kick starting healthy active lifestyles
- The profile of PE and sports being raised across the school as a toll for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sports
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sports

Section 1A – Evaluation of impact/learning to date

Name of School: Old Hall Special School

Academic Year: 2016 – 2017

In previous years, have you completed a self-review of PE, physical activity and school sport?	No
Have you completed a PE, physical activity and sport action plan/ plan for the Primary PE and Sport Premium spend?	No
Is PE, physical activity and sport, reflective of your school development plan?	Yes

Are your PE and sport premium spend and priorities included on your school website?

Yes

Section 1B – Swimming And Water Safety

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- Perform safe self-rescue in different water-based situations.

Swimming and Water Safety	Please fill out all of the below:
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	Choose an item. %
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	Choose an item. %
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	Choose an item. %
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Choose an item.

Section 2 – Reflection: What have we achieved and what next?

Key Priorities to date:	Cost	Key Achievements to date:	Key Learning: Impact
Sports Plus has been used by Old Hall School to raise standards of PE and offer a varied curriculum to support all of our children's needs.	£6925.00	Sports Plus has successfully delivered PE and sports activities to the pupils who are ASD and SLD. Our Sports Premium Coach visits us for 1 day where she works with 6 classes individually.	The impact of Sports Plus has been that all children have been able to progress with their sports skills along with building up stamina to support a healthy lifestyle. Pupils have learnt social skills; turn taking, playing together, accepting one another's strengths and weaknesses and supporting one another. Pupils have learnt to work as a team and spend positive time together. The impact of behaviour has been successful as a result of progress in these areas. Staffs also feel confident when leading PE sessions as they have been modelled the correct way to teach using specialised equipment. The Coach has also worked on core skills in order to help with children's: balance, vestibular and proprioception. The impact of this is that children have better balance and a stronger core in order to support with the correct posture when sitting at the table to learn. Classes have made effective links and participation has increased in team games across the school. One example of this is St George's Football Day where classes competed in a tournament. These links make natural extensions onto unstructured times where children can play together.
To provide a wider range of experiences for pupils in the outside community.	1300.00	We have used some of our Sports Premium money to give pupils the opportunity to participate in; Sailing, Swimming and Climbing on a weekly basis, along with fuel for the mini bus.	Sailing, Swimming and Climbing has been a huge success, pupils would not normally get the chance to partake in outdoor learning, but the majority have truly enjoyed the experience along with the positive impact on the sensory needs. The environment is a safe place to learn and is purpose built to meet the needs of our pupils.
