

Charging and Remissions Policy

All pupils are included in all educational trips as appropriate. These are funded using monies allocated to curriculum, school fund, Sports Grant money or the Pupil Premium grant for those eligible.

- Residential trips are funded from a combination of curriculum allocation, Pupil Premium funding and parental contribution or fund raising.
- Parental contributions are requested for the majority of trips but it is clearly stated to parents that these contributions are voluntary.
- No pupil is ever excluded from a school trip if parents or carers do not contribute.

Voluntary contributions of £5 are asked from parents, to purchase drinks and snacks for the children each term.
